

# The dissertation is almost done – but how to publish?

Possibilities of and support for publishing your dissertation  
at Göttingen University

Which way of publication is the best one for your dissertation? What kind of support can you get in this area? Göttingen State and University Library in cooperation with the Graduate School of Social Sciences offers a talk on these and other questions. This event is free of charge and open to all PhD students of all Graduate Schools (GGG, GSGG, GFA and GAUSS with GGNB) at Göttingen University.

Main topics of the talk include:

- Publishing in times of digital change (overview of different forms of publication, their chances and risks)
- The role of copyright in publishing (relevant law passages, publishing company contracts, licenses)
- Open Access: Forms and implementation (primary and parallel Open Access)
- Publishing and Open Access: What do research funders expect, how does the university support you?
