

# Alumni career talk

## d-fine

### What?

You are interested in quantitative work? You like to script, program or model things? Maybe you just always wanted to know what working in consulting is like? Get the chance to talk to alumni of the MPIDS who now work at the Frankfurt-based IT-consultancy d-fine.

### When?

May 28th, 4:15 - 5:00 PM + open discussion afterwards

### Where?

MPI for Dynamics and Self-Organization, room 0.77

### Questions?

Bring your  
friends!
