

CSL Plasma is one of the world's largest human plasma production companies for the manufacture of highly effective coagulation and immunoglobulin products.

For our **Quality Assurance department** in Göttingen we are looking for an **Auditor (m/f/d)** (full-time / temporary)

Your activities:

- Performing qualification audits in the respective national language (DE/EN/FR) in the EMEA region at plasma suppliers / service providers according to GxP and DIN ISO and evaluating the audit results,
- Performance of risk analyses and evaluation of the impact on the qualification status of the plasma supplier / service provider; evaluation of corrective / preventive measures;
- Review implementation and compliance with regulations and CSL quality requirements for all facilities to be audited;
- Assist in further development of the established audit systems;
- Assist in the creation and editing of standard operating procedures;
- Updating various work lists to provide metrics up-to-date provision of key performance indicators;
- Electronic acquisition and processing of non-conformance reports;
- Participation in the implementation of trainings and workshops.

Your Profile:

- Successfully completed vocational training or completed bachelor's degree in public health or natural sciences area;
- 2 - 3 years of professional experience as an auditor preferred;
- very good knowledge of German, English and French, both written and spoken (business fluent)
- Willingness to travel intensively with a high degree of flexibility;
- Sound knowledge of quality management and GxP/DIN ISO area as well as audit/inspection experience required;
- Analytical and solution-oriented thinking skills as well as structured and independent working style;
- Ability to assess and interpret complex regulations
- Ability to work in a team and to handle disputes as well as strong personal and social skills;
- Confident handling of MS Office standard software;
- Additional foreign language skills are very welcome.

Your Benefits:

- Further training in the area of GxP auditor;
- Opportunities for personal and professional development;
- A highly varying as well as demanding and responsible area of work
- Pleasant working atmosphere in an international, dynamic and high-performance team;
- Attractive remuneration with additional pension benefits.
